

You've Been Spooked!

Happy, Happy Halloween!

Your house has been struck by the Halloween Phantom. Now, it is your turn to deliver a treat to 2 houses in your neighborhood within 48 hours. Post this GHOST on your door or window until Halloween to ward off the Phantom from returning to your home. Please post your GHOST immediately. When you deliver your treat to your homes, please be sure to attach a copy of this letter along with the GHOST picture to your treat bag. You can either photocopy this letter or download it at <http://jenuinejen.com/get-spooked-this-halloween>. It is important that you deliver the treats secretly to a home that does not have a GHOST posted. Try to make sure someone is home. Remember you must not be seen! Let's get the Halloween Phantom to strike every house in the neighborhood by Halloween night.
